

# NAVARRO SHAWI

A Graphic Designer

## Experience

(2019-2020)

- worked in "broadcast" company as a graphic designer. Was responsible for creating templates for social media posts, videos and landing pages.

I was in a daily contact with customers to gather feedback to better match the content for them.

In addition, I had responsibility to check the designs of other designers in the company.

The job required work under pressure and managing requests from tens of customers. I helped to improve the user experience of the broadcast's platform.

- Worked as a graphic designer in "Spank" Creative Agency (In between semesters).
